Thankyou to all the families who came to our Family Day last week. The day was a great success and we look forward to the next one in Term 2. It is only with your support that we can put these special times on for our children. Also thankyou Roy and Rosie for putting on a great spread, it was delicious.

This fortnight has been really busy. The children have been involved in making flags, learning about letters and joining in co-operative activities. We had a couple of hot days last week and that was a great chance to use ice for a sensory play activity and to turn the sprinkler on to cool down.

We have also been focusing on construction activities and the children have been loving the trucks.

Cheers,
Brad.

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs offered include: supported playgroups, SACE programs, pre-walker groups, home visits and parenting programs.

Our playgroups are all about: Playing, Talking, Singing, Learning and having fun. Learning together at SACE offers young mothers the opportunity to return to study.

A créche is provided.

New families are always welcome.
For more information ring: 83313090.

Adele Greer
Levelled Literacy Intervention

Levelled Literacy Intervention (LLI) is a small group, intervention program to support students to meet their year—level reading achievement goals. Heather Davis is coordinating the LLI Program at school. Heather began the LLI Program at the start of Term One. Students are already experiencing improvement in their learning and reading levels.

Romy: I have gone up a level with reading.

Shania: I read more fluently.

Daniel: I can say all the words when I read.

Attendance

Every day counts. Please ensure your students are at school every day. This places them in the best place to achieve the best academic outcomes.

If you need support of any kind, please contact us and we will support you to have your student at school and learning every day.

We would like to welcome Amber Whittaker as the new Pinyali Teacher. Ms. Whittaker is replacing Mrs Gilbert who has gone on Maternity leave. Please make her feel welcome.

Cheers Russell

School Colours

Any combination of Black, Gold and Green. Wear them every day with pride.

Counsellor Column

It has been an exciting term of learning at Fraser Park Preschool—7 School. We have had the students from Kungari and Pinyali go on an excursion to the Marine Discovery Centre at Henley Beach to support Kungari’s work in Accelerated Literacy and Pinyali’s work in Sustainability. The students experienced the beach environment and learned about the eco system and the effects of water pollution. It was a valuable experience for the students as many had never been to the beach before.

The students have been learning about swimming and water safety at the Murray Bridge Pool. Being so close to the river, swimming is an important safety skill, the students have had a great time practising them.

Breakfast Club

Every Wednesday
8.30 to 9.00
Breakfast Club is about coming together, having FUN, sharing and getting to know one another.

Wednesday 9th March
Waffle Morning

Diary Dates

Monday 14th March 2016
