## School Colours Wear Them With Pride

### Knitting (STEM)

Students are enjoying using the skill of knitting to create useful items such as scarves, mittens, bags and more.

With the current focus on STEM (Science, Technology, Engineering and Maths) it is great to see students enthusiastically engage with hands on practical technology that uses both problem solving and inquiry based learning, with a focus on creativity and critical thinking.

(Freeman, Morgison and Thyler 2015)

### DIARY DATES

- ◆ Book Week—Theme  
**"Escape to Everywhere"**
- ◆ FUN DAY—Thursday Sept 7th
- ◆ School Closure—Adelaide Show Day Friday Sept 8th
- ◆ Governing Council Meeting—Tuesday Sept 19th
- ◆ Last Day Term—Friday Sept 29th

### Book Week

21st—25th August 2017

Book Week promotes and celebrates the love of reading. Fraser Park Preschool-7 School students love to read every day.

### Taylor Shae

**Reading is Fun and I learn a lot of new things.**

\*\*\*

### Tia

**I like reading because It is Fun and interesting.**

\*\*\*

### Amillia

**Reading helps me to learn. I love to read.**

\*\*\*

### Anyieth

**I like reading a lot of different stories because it teaches me new things.**

\*\*\*

*Kind Regards  
Michelle Kamma*

# Wellbeing Forum

## School Football

We have had an exciting term of learning so far at Fraser Park Preschool-7 School.

The Inter School Football Carnival kicked off on Friday the 11th of August.

We started off the competition well with a win against Tyndale Christian College 5-1 to 3-1, with all the students playing the game in great spirit and using all of our school values.

The second game against St Jo's was a tight encounter with Fraser Park leading the majority of the game only to be overtaken late in the game.

Once again the students showed great enthusiasm and teamwork.

Our last game is this coming Friday against the St Jo's second team.

It has been great seeing the change that school football has had for the students involved.

The students that regularly play football have shown great leadership to their team mates and have been helping them to learn the game and skills involved.

*Well done Fraser!*

*Russell Gilbert—Wellbeing Coordinator*

# English: Book Study

Kungari students are studying the story: **'The Wishing Well'** by Arnold Lobel.

They practise reading, spelling and handwriting skills using words from this text.

Kungari have also been learning about maps (Geography) and went on an excursion on Tuesday to locate Wishing Wells around our community. Upon returning to school the children made great Wishing Wells in Technology using recycled materials.

*Anne Hein—Literacy Focus Teacher*

## FRASER PROFILE

**Aulis Tuisku**  
Student Support  
Officer

What do you like about Fraser Park?  
*The children.*

What is top of your bucket list?

*To buy another Avalon car.*

What is your favourite colour? *Blue.*

What is your favourite food? *Roast Lamb.*

Where were you born? *Finland.*

What is the most EXCITING thing you have done? *Went to study in England to gain my Masters in Engineering.*

*That I was a good swimmer and runner in Primary School.*

Who has inspired you in your life?

*My Wife and parents.*

What are your hopes and dreams?

*To retire with my Wife on a nice property.*

Who would you most like to share a 'cuppa' with? *Andrew Bolt.*

*Thank you Mr. Tuisku*

*Thank you—This Fraser Profile was brought to you by Ella Wilson.*

## BOOK WEEK

### **Book Week "Escape to Everywhere".**

Remember our Book Week Dress Up day is Wednesday August 23. It will be **FUN!** seeing **everyone's costumes and focus on favourite book characters!** Parade is 11 am Wednesday.

Book Week also provides us with an opportunity to focus on the best Australian **books for children. The Children's Book Council** of Australia shortlist is out. We have been enthusiastically reading these titles this term. It will be fun to see which books are winners.

*Anne Hein—Literacy Focus Teacher*

## PULYERI NEWS

In Week Four Pulyeri held the Term 3 Family Day. I would like to thank Roy and Rosie for making the salads and cooking the BBQ. The children had a great time showing their kindly to their families, they also loved sharing their work sample books and their learning.

Other learning experiences the children enjoyed this week included looking at their sprouting radishes, watering the Pulyeri plants and adding to our watering chart, using the computer microscope to look closely at natural products, working together to build a car track and race cars, exploring *cause and effect* with a bucket, balls and a PVC pipe, playing musical instruments and making kites for the windy days that we have.

*Cheers Brad*

Adele Greer  
Manager

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs include playgroups, parenting programs, cooking groups, craft groups, baby playgroups and home visits. A free crèche is provided for parent, craft and cooking groups.

Our playgroups are all about: playing, singing, learning and having fun together. Morning tea is provided for the kids and tea, coffee and milo for you.

New families are always welcome. Drop in for a play on Monday, Wednesday and Friday mornings after dropping your older children off at school.

For more information call Adele on 0423 020 991
