The Love Spell In My Heart

You cast me under your love spell.

You threw me in a dirty well.

You destroyed me.

The girl who knows you.

I love you for who you are, not who you pretend to be, this is the same story that you told me.

The day we met, you made me happy!

Counsellor Column

Fraser students resumed Interschool Football Tournament with a win over St Joseph's qualifying for the Grand Final which is to be held on Friday afternoon at Ramblers Oval at 2pm. The students from Fraser have been working together as a team and the more experienced players have been helping out the players that haven't played football before. **Well done Fraser! Come along and cheer us on!**

School values are an important part of our work in building success for children at Fraser Park. Our school values are:

Respect: Honouring other people and treating them with care and courtesy. Looking after our own and other people's property.

Caring: Feeling and showing care and compassion for other people and our school.

Enthusiasm: Showing an active interest in something and trying to do your best... even if it is hard.

Fun: Making school fun for everyone in your class by doing the right thing!

Please support us in this important work by encouraging your child to use our school values!

In **Kungari** as part of their cross curricular learning about Wishing Wishing Wells, students have created their own wishing well using recycled materials (Sustainability and Technology).

In **Pinyali** the students have revisited their learning about the structure of a recount, recalling events in order.

Wa:nyi students have spent this term studying persuasive writing (argument). They have been working on learning lots of ways to express an opinion in written form.
