Wellbeing Coordinator

Guided Reading

Reading is a major focus at Fraser Park Preschool-7 School. We are continuing to expand our work on reading by improving our Guided Reading Program in classrooms.

Anne Hein our Teacher/ Librarian has been working in Wa:nyl with Ms Jackson and Wuldi with Mr Hooper to support guided reading lessons. The students have been working with groups of students on the same level reader with a teacher to improve their reading fluency, comprehension and reading levels. To help support guided reading the school has purchased \$1,200 worth of levelled texts from Oxford that are interesting and contain a range of genres. Guided reading works well and supports the other reading programs at Fraser Park Preschool-7 School.

Attendance

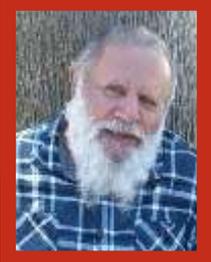

Getting your children to school on time everyday is really important for their learning. Good attendance is a habit that once established helps children to do their best at school and carries on into their working life. If you need any support or need to let us know if your child is away sick please call the office and our friendly staff will help.

Cheers, Russell

FRASER PROFILE

Community Elder
Poppa Vic Wilson

What do you like about Fraser Park?

All the students and staff are friendly and helpful.

What is top of your bucket list?

To see a Treaty between the Government and our people.

What is your favourite colour?

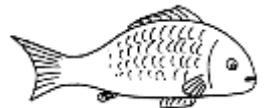

All the colours of the rainbow.

What is your favourite food? Fish

Where were you born?

Point Pearce, South Australia

What is the most EXCITING thing you have done?

I'd better say, married to my Wife Nanna Glens and having children and grandchildren.

What is the one thing that would surprise people to know about you?

I used to own and ride a Harley Davidson motor-bike.

Who has inspired you in your life?

My parents, my family and God.

What are your hopes and dreams?

I would like to see a Treaty and I would like all children to be happy and the wars to stop.

Who would you most like to share a 'cuppa' with? Family and friends.

Thank you—This Fraser Profile was brought to you by the Administration Team.

English: Book Study

Premier's Reading Challenge 2018. Fraser Park Preschool-7 School students are once again participating in the Premier's Reading Challenge (PRC) in 2018—our 13th year!

The PRC requires the students from Reception to Year 7 to read 8 books from the PRC Booklist and four of their own choice by September 7th 2018. The PRC encourages students to read for a purpose and to enjoy different types of reading materials. E-book, Audiobooks, Big Books, non-fiction, research for assignments, books in other languages and magazines can be listed.

The titles chosen for Accelerated Literacy and guided reading will be included in the Challenge totals as they are all quality titles that further develop reading skills and improve literacy levels.

PULYERI NEWS

It's great to be back! Pulyeri has been a hive of activity with a lot of great learning going on. The children were very keen to show me some of the things they had been doing whilst I was away. They really knew the story

with a lot

Handa's Surprise by Eileen Browne. There was a lot of joy as the children told me about the animals and the fruits in the story. I was so impressed. Some of the children continued making their clay huts, they look really great. If you haven't seen them yet you should come by and have a look.

Our persona doll, Widthalana, had a good time last week too, she helped the children make tropical smoothies and did some

drumming. The children worked together on puzzles, sharing our equipment and filling our Bucket with stars and hearts.

We also celebrated International Women's Day. The children made flowers to give to significant women in their lives.

Cheers,

Brad.

Adele Greer
Manager

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs include playgroups, parenting programs, cooking groups, craft groups, baby playgroups and home visits. A free crèche is provided for parent, craft and cooking groups.

Our playgroups are all about: playing, singing, learning and having fun together. Morning tea is provided for the kids and tea, coffee and milo for you.

New families are always welcome. Drop in for a play on Monday, Wednesday and Friday mornings after dropping your older children off at school.

For more information call Adele on 0423 020 991
