Wellbeing Coordinator

At Fraser Park Preschool-7 School the staff are beginning to work on designing learning sprints.

Learning Sprints provides a simple, effective and field-tested approach to support our teachers in continually enhancing their practice.

We are running Staff workshops with our Principal Michelle and Support Worker Michael as our Learning Sprint Coaches. Teachers are starting the implementation of learning sprints in classrooms early in Term 2.

Sports Day is coming up on Friday the 6th of April.

Sports Day is a great way for the students to

demonstrate our school

values of Enthusiasm, Respect, Caring and Fun. It is always a fun event and we look forward to seeing you there.

Cheers, Russell

Michael's Maths Problem To Solve

A Grocer in a warehouse sold twice as many apples in the afternoon than in the morning. If he sold 390 kilograms of apples that day, how many kilograms did he sell in the morning and how many in the afternoon?

English: Book Study

Reading to learn and reading for enjoyment continue to be a strong focus of our school community. The students continue to work hard on reading their Accelerated Literacy Texts. They practice reading, spelling and handwriting skills using words from sentences in the texts. They are learning that letters, words, the punctuation and the purpose of each word are all important.

Coming up in Term 2 : Reading Fun

Book Fair : During weeks 2 and 3 the Scholastic Book Fair will be set up in the Library.

National Simultaneous Storytime (NSS) : In week 4, Wednesday 23rd May, the whole school will have fun listening to the book "Hickory, Dickory, Dash".

Remember to keep reading with your children.

Wa:nyi students reading the book "Alexander's Outing".

Kungari students reading "Handa's Surprise" as a small group.

Wuldi students reading "Unreal".

FRASER PARK PRESCHOOL-7

PULYERI NEWS

This fortnight the Pulyeri children celebrated Harmony Day. The important concepts of harmony Day that we

focused on in were about acceptance of others, working together, sharing and caring for each other. The children also learned about orange being the colour that is used to help us celebrate Harmony Day.

Along with our *Fill Your Bucket* program, which promotes caring or each other, the children made

smiley face biscuits, painted Harmony people who are holding hands, coloured in people saying "Nukkan" which can mean "Hello" and "seeya" and listened to the stories Jolok and Weyambeh the turtle.

Cheers,
Brad.

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs include playgroups, parenting programs, cooking groups, craft groups, baby playgroups and home visits. A free crèche is provided for parent, craft and cooking groups.

Our playgroups are all about: playing, singing, learning and having fun together. Morning tea is provided for the kids and tea, coffee and milo for you.

New families are always welcome. Drop in for a play on Monday, Wednesday and Friday mornings after dropping your older children off at school.
