School Colours Wear Them With Pride

Lydia's Trip to Preschool

On Thursday 22nd February, Kungari and our Persona Doll Lydia went for a trip to the Preschool (Pulyeri). While there, photos were taken of the students and Lydia doing activities together.

On Monday the students in the pictures took turns explaining what they were doing in each picture. From that we then turned their spoken words in to written words to make our book.

Once our book 'Lydia's Trip to Pulyeri' is finished it will be in the classroom for us to enjoy and read. This week while at swimming Lydia will be coming with us and we can write her story of swimming.

Swimming

Week 5 is swimming week at the Murray Bridge pool, with all students getting the chance to learn swimming skills and water safety. Swimming and water safety are important skills especially being so close to the River. Swimming is also a lot of fun and all the students have enjoyed their lessons.

School Colours

At Fraser Park all students are expected to be in their school colours of Green, Yellow and black. It is really important for all students to wear their school colours, School Colours make us part of the learning team and builds school pride. If you need any help with getting school colours please see our front office staff.

ENGLISH BOOK STUDY

The texts chosen for the Accelerated Literacy program are books that allow the students to engage with and enjoy the language. They learn to read the story each day and add new words to their vocabulary knowledge. Here are some students from Kungari reading

“The very Hungry Caterpillar” by Eric Carle.

Sight words they are learning include: one, two, three, four, five

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday. New vocabulary knowledge includes: caterpillar, butterfly, cocoon, stomach-ache and nibbled.

Remember: Read to or with your children everyday!

PULYERI NEWS

The children continue to learn about the story, Handa's Surprise. Some of our learning has included, developing our understanding of villages, African and Australian, acting out the story with puppets, identifying characters and letters, tie dyeing, making 2D and 3D mud huts, still life painting of pineapples, making masks, colouring and balancing baskets .Ajith also attended Preschool and discussed with us African culture and taught us about Massai dancing. This was lots of fun!

Kungari visits have commenced again twice weekly and the children are excited to play with their school friends and family members.

We have continued our cooking program and the children are really enjoying this. We have cooked banana muffins and pancakes. It allows children to engage in measuring, mixing, to follow a process and taking turns. The results have been amazing so far!

We celebrated International Languages day on the 21/2/18, including making flags and a presentation from Dolly about Bangladesh. The children were excited to learn about different languages and culture.

Harley and Shia celebrated their 4th birthday with us this fortnight. They bought in two dinosaur cakes to share. The children loved them-thankyou!

Brad returns next Monday, week 6 and we are very excited to hear the news of all his adventures.

Cheers Susan
