Love of Learning

In Wuldi we are passionate about learning, and are always trying different ways to learn new things. Through hands on activities in Math's, to Art activities during Library, we never shy away from an opportunity to show our

LOVE OF LEARNING.

School Colours Wear Them With Pride

The School Improvement Plan

GOAL 1

To improve our students Oral Language and Vocabulary in the Early Years.

Research identifies a rich and wide vocabulary as vital to understanding the written forms of our language. Knowing more words mean that the children have the best foundation for reading.

What can you do at home to support Oral Language development?

- Read books to your child as often as you can.
- Sing songs together.
- **Play 'I spy'.**
- Have conversations at meal times, while they are playing and any time you can.
- Ask questions of your child, such as
"Tell me more about the house you are building."
- Provide books and toys that foster learning. There are many inexpensive toy libraries.

Murray Bridge Library has a FREE Toy Library.

'Fraser' also has an extensive library of books for borrowing and using at home.

Regards, Michelle

FETE Day

Last Day of Term

Friday December 7

Friday December 14

Wellbeing Coordinator

We have been working with Sporting Schools to secure grants to provide a variety of sporting activities for children at Fraser Park Preschool-7 School. This term we have Greg from the Murray Bridge Golf Club providing small group golf coaching for students from Wa:yni and Wuldi. **Golf is a sport that our students haven't had the opportunity to play and gives students that normally find sport challenging an opportunity for success.** The students have been enjoying the lessons and have been keen to find out more about golf.

Cheers, Russell

Fraser Profile

Michelle Kamma Principal

What do you like about Fraser Park?

Everything.

What is top of your bucket list?

To complete a Phd.

What is your favourite colour?

Pinks, blues, purples and greens.

What is your favourite food?

Anything mum cooks.

Where were you born? Cooktown.

What is the most EXCITING thing you have done?

Having my children. My family always excites me and inspires me.

What is the one thing that would surprise people to know about you?

I have a Scuba Diving qualification. I love to swim and explore the 'Great Barrier Reef'.

Who has inspired you in your life?

My mum.

What are your hopes and dreams?

For the World to be at peace and education to meet the needs of every learner.

Who would you most like to share a 'cuppa' with? My Family.

Thank you—This Fraser Profile was brought to you by the Administration Team.

English: Book Study

This term our students in Kungari, Wa:yni and Wuldi are continuing to study words specific to the procedures they are learning.

Procedures are written to teach people how to do something. They can include following a recipe or learning a new skill. The children learn to follow numbered drawings or photographs of specific steps to produce a product.

With Fete Day approaching in Week 8 learning to follow procedures to make food or art and craft items is a focus.

FRASER PARK PRESCHOOL-7

PULYERI NEWS

This fortnight in Pulyeri we celebrated the fun of Halloween. The children loved dressing up as skeletons, pumpkins and witches, they also enjoyed involving themselves in designing and carving Jack-o-Lanterns out of pumpkins and making Halloween craft bats. When we finished carving the pumpkin the children decided to paint it.

Other learning experiences in which the children engaged included drumming with **Wa:nyi**, revisiting the books **Handa's Surprise** and **Mr Kwok's Kites**, exploring vocabulary in the story **Louise Builds a Boat** by Louise Pfanner and reading the story **Louise Builds a House** also by Louise Pfanner.

This story linked nicely with the children making houses out of boxes.

Cheers,
Brad.

Adele Greer
Manager

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs include playgroups, parenting programs, cooking groups, craft groups, baby playgroups and home visits. A free crèche is provided for parent, craft and cooking groups.

Our playgroups are all about: playing, singing, learning and having fun together. Morning tea is provided for the kids and tea, coffee and milo for you.

New families are always welcome. Drop in for a play on Monday, Wednesday and Friday mornings after dropping your older children off at school.

For more information call Adele on 0423 020 991
