Telling the truth

Breaking something
and admitting that
you broke it

Hurting someone and admitting
that you were in the wrong

Accepting other peoples
apology

Honesty

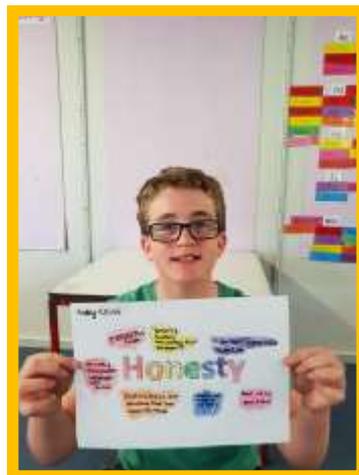

Telling the teacher the truth

Not cheating in games or tests

Don't lie to your friends

If you take someone's things,
you give it back to them

School Improvement Plan (SIP)

Goal 1:

To improve students oral language and vocabulary in the Early Years.

All classes have a focus on play which involves purposeful talk, to enable the development of vocabulary. Staff are also using levelled questions to stimulate the students oral language.

2018 SCHOOL CONCERT : Learning with Care, Respect, Fun and Enthusiasm.

❖ 18th-22nd February

Swimming: Monday-Friday afternoons

❖ 18th-22nd February

International Languages Week

Wellbeing Coordinator

Welcome back to another exciting year of learning at Fraser Park. We have a whole school focus on developing Oral Language and Vocabulary to improve student outcomes in reading as identified in the first goal in the School Improvement Plan. One of the strategies we use to support this is drumming with Sam Oshodi. Drumming increases oral language through singing, rhyme and increasing vocabulary.

We have swimming lessons in Week 4 (18th - 22nd February) at the Murray Bridge Pool. Swimming is always a fun activity and has a number of positive learning outcomes for our students and helps the students to increase their skills in water safety.

If you have anything you would like to talk about please feel free to come in for a chat, working in partnership with families is important.

Cheers, Russell

PULYERI NEWS

It has been a great first few weeks of the year in Pulyeri. We have started looking at **the story Rosie's Walk by Pat Hutchins.**

Some of the learning experiences related to this story in which the children have been involved included listening to the story, acting it out as a group and on a play table, using story stones to tell the story,

looking at different homes for different animals, making chicken coops and making mosaic chickens.

The children have also been including our persona dolls, Widthalana (Lana) and George in their play. As part of getting to

know them we have looked at Lana's story.

We also had Kungari visit us in week 2 **and we celebrated Oliver's 5th birthday.**

His Mum brought in a cake and the children enjoyed sharing it.

Another Learning experience

that the children have fully engaged in has been **playing the game "Pop the Pig", this game helps the children develop their knowledge of colour, numerals and taking turns.**

Cheers Brad

Manager

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs include playgroups, parenting programs, cooking groups, craft groups, baby playgroups and home visits. A free crèche is provided for parent, craft and cooking groups.

Our playgroups are all about: playing, singing, learning and having fun together. Morning tea is provided for the kids and tea, coffee and milo for you.

New families are always welcome. Drop in for a play on Monday, Wednesday and Friday mornings after dropping your older children off at school.
