## School Colours Wear Them With Pride

### Wuldi Going To The Beach

The Wuldi Mob have been studying "My Mob Going To The Beach" by Sylvia Emmerton this term. To support further learning Wuldi participated in an excursion to Middleton Beach. The focus was on having a first hand experience of the sea and sand, to develop their vocabulary and provide the motivation for writing.

On the way students stopped to see the Canoe Tree. This is where the Aboriginal people have removed the bark from a tree to make a canoe for fishing and commuting on the River Murray. The children said!

We had a lot of fun. We felt grateful, we laughed, we listened.

The beach was wet!

The beach was salty!

The beach was cold!

The beach was sandy!

We had a yummy lunch!

The bus took a long time.

I fell asleep on the bus.

Alambie came with us.

## Harmony Day

We celebrated Harmony Day on Friday week 8. This years theme was Everyone Belongs. We celebrated this in classes with students learning about other cultures, languages and celebrating what similarities and differences we all share.

The students then did activities that focused on getting along and being accepting of others. We celebrated with a BBQ lunch and played some games at lunch with a focus on teamwork. A great day was had by all.

The students in Wa:nyi class are studying the text **"Fantastic Mr Fox"** by Roald Dahl as part of their Literacy Program this term. They took inspiration from the text to design and make a claymation character. The students will use these characters to write their own stories.

Fantastic Work Wa:nyi!

## PULYERI NEWS

In Week 8 Pulyeri celebrated Harmony Day, all Week. The children talked about caring for each other and we looked at empathy through the

Tunbridge. As part of this the children had

a go at grinding wheat into flour and making a dough out of flour and water. Our Harmony

Day crafts in which the children were

involved included our Harmony Day display and decorating harmony people which we

stuck together demonstrating we are all different but we can live together

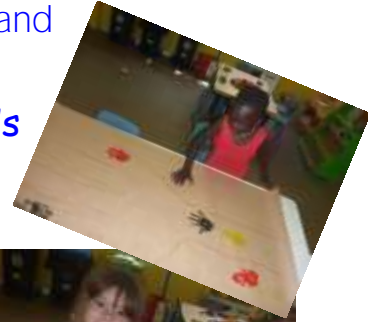

peacefully. Another Harmony Day learning experience the children were

involved in was decorating biscuits using orange icing. Orange is the official

colour of Harmony Day as it represents social communication, meaningful

conversations, freedom of ideas and the encouragement of mutual respect.
