## School Colours Wear Them With Pride

### TERM TWO

It has been wonderful to see children returning to school and learning. There has been challenging times with the Covid-19 alert. I appreciate the clear communication we have had from families and the returning of Learning Packs for marking. We are looking forward to all children attending school and getting back to their usual learning and routines.

I love being back at school and doing my learning.

Tyler

Back reading at school is fun.

Rico

It's good to be in class again.

Jaxxon

### Working with Families

**Joseph and Leteisha's Nanna has been supporting children to learn about Dot Painting and Weaving, strengthening the children's knowledge of Aboriginal Culture.**

**We value Elders involvement in our community.**

# Accelerated Literacy Focus Teacher-Paula Fahey

This term Wuldi are studying the text 'Dogs Make Good Pets', which is a persuasive text.

Students have learnt that the purpose of a persuasive text is to convince people to do something you want them to do through strong and structured arguments.

Mrs Hein, Mrs Gilbert and Wuldi students have set up a Vet play space with a variety of different pets. This is to support students with their oral language and play skills.

The play space will help students to write their own persuasive text about what pet they want to convince people to get.

It has been fantastic to see the students engaged in using the play space to retell arguments from their text. It shows students are engaged in the text and understand its purpose.

## PULYERI NEWS

Wow, what a start to Term 2. Our Pulyeri team have put in a lot of work adapting to the new climate that the Coronavirus epidemic has created. With a few families opting to have their children learn at home, we have been working to devise a home program that is engaging, meets the Early Years curriculum, and at the same time is suitable for all our families.

It has been great to see photos of the fun learning that the children have been doing at home. We have printed these photos and put them up on our learning at home display. The children who have been attending have been able to see their friends in the photos and we have been able to talk about how they will be back soon. Please keep sending in your photos of the great learning your children are doing.

This term our Accelerated Literacy story that we are focusing on is called *Owl Babies* by Martin Waddell. The main vocabulary that we are focussing on from this story includes: *trunk, twig, branch, wood, swooped and silent*. Some other vocabulary that we will be using this term in relation to the story includes: *beak, talons, carnivore, nocturnal, owlet and parliament*.

Other learning that the children have been involved in so far has included looking at the values that are important at Pulyeri. This has included some concepts around the Fill Your Bucket program and **particularly thinking about the children's ideas of care and how it looks and sounds. We also had Leticia's nanna paint a picture for us,** made Mothers Day cards, made musical instruments in relation to the story *Grug and his music* by Ted Prior, and started exploring the concept of left and right in relation to the story *Kick with my Left Foot* by Paul Seden & Karen Briggs.

As we progress through the term I look forward to seeing the remaining few children who are currently learning at home return to preschool. Until then, stay safe. Cheers, Brad.

Learning Together at Fraser Park is a fun place for families with children aged 0-4. Programs include playgroups, parenting programs, cooking groups, craft groups, baby playgroups and home visits. A free crèche is provided for parent, craft and cooking groups.

Our playgroups are all about: playing, singing, learning and having fun together. Morning tea is provided for the kids and tea, coffee and milo for you.

New families are always welcome. Drop in for a play on Monday, Wednesday and Friday mornings after dropping your older children off at school.
