Compassion

Compassion is an action word with no boundaries.

Pinyali students show compassion by: -

Listening to each other.

Helping others when they need help.

Caring for others.

Understanding others need our support.

School Colours Wear Them With Pride

STEM at Fraser

Students (boys and girls) have been involved in a STEM (Science, Technology, Engineering and Maths) project using craft, knitting and weaving. These activities have provided students with engaging rich mathematical thinking and problem solving opportunities.

Students had set challenges that tested their problem solving abilities such as how to make a scarf using alternating colours, designing your own bag or basket, and using two different yarns to knit a teddy.

The Murray Bridge Show provided an opportunity for students to showcase and celebrate their finished projects.

We are 'Fraser' proud to have achieved not only completing our own challenges but multiple awards at the Show.

I designed a basket to store my wool.

I designed my own handbag.

I made a shawl using my arms.

I used two different yarns to make a teddy.

Ms. Cawte knitted a scarf using her arms.

Ms. Sim designed a bag incorporating the Fraser bird and roses.

We designed baskets and used our hands to crochet them.

Ms. Kamma used two yarns to make a teddy.

Mrs. Pope supported us to achieve our challenges.

Sports Equipment Donation

A BIG thankyou to the Murray Bridge Basketball Association for donating sporting equipment for our students which was gratefully accepted by Principal, Michelle Kamma and presented by Robyn Hampton-Allen, Murray Bridge Basketball Association Stadium Coordinator.

Counsellor Column

It has been an exciting start to Term 4. We finished Term 3 with the Murraylands School Football Tournament Grand Final between Fraser Park and St. Josephs. The game was played in excellent spirit with Fraser Park winning 16-15 (111) to 7-3 (45). Thomas Dodd and Emily Palmer won awards for great sports ship and teamwork.

Well Done Fraser !

In Term 4, I will be taking leave from week 2 to week 9 to support Mrs Gilbert with the birth of our second child. Thankyou to everyone for your support and well wishes during this exciting time.

I look forward to returning in week 9.

English: Book Study

Welcome back to Term 4 at Fraser Park Preschool-7 School.

I have listed the books, procedures or reports that students are studying this term.

Pulyeri with Mr. Hill are studying "My Mum and Dad Make Me Laugh" by Nick Sharratt.

Kungari with Ms. Schutz are studying the procedure of "making jelly".

Wa:nyi with Ms. Williams are studying procedures, including "how to blow bubbles" and "how to make playdough".

Pinyali with Ms. Jackson are studying the information report "Black Saturday" (about the bushfires).

Wuldi with Mr. Hooper are studying the recount "Heroes of the Holocaust" by A. Zullo and M. Bovsun.

PULYERI NEWS

This term the Pulyeri children are looking at the story *My Mum and Dad Make Me Laugh* by Nick Sharratt. In the first two weeks we have been getting used to the story. Part of this orientation included the children sticking spots on the word *Mum* and pretending to be elephants balancing on a piece of string.

Other learning experiences the children have had in relation to this story have been spotty and stripy animals crafts, wild animals with playdough and shadow puppets.

Caring for each other and being friendly are major focuses for Pulyeri this term. We have been promoting this with the *Fill Your Bucket* concept that the children were introduced to last term. The children are gaining confidence at identifying when someone is doing something caring and they like giving out the stars and hearts to their friends, who then contribute to the Pulyeri bucket.

This term I will be in the school on Mondays and Thursdays, whilst Mr Gilbert is on leave. On these days Susan Hynes will be in Pulyeri.
Cheers,
Brad.
