

## FRASER PARK BULL

Well we have come to the end of another term at Fraser Park and it certainly has been a very busy term. Lots of positives in student's learning this term with 70% of Year 1's reaching benchmark in the Phonics Screener and massive improvement across the school with PAT Reading and Maths testing.

We are very excited to welcome Kara Lienert as the new Wellbeing Coordinator to Fraser Park. Kara has grown up in and around Murray Bridge and is looking forward to getting to know the Fraser Park community. Kara is replacing Ms Fahey as she is taking leave as she will be giving birth at the end of this year. We would like to wish Ms Fahey, Luke and Leo all the best with the soon to be family member.

A reminder to all families that Fraser Park is a Sun Safe school so students will have to wear hats during outside play. Students who don't wear a hat will have sit under designated play areas. We also strongly encourage students to bring a drink bottle so that they can be well hydrated throughout the hot summer days we are expecting to have.

# Principal's Piece

Term three has been busy, and we have achieved a lot. Towards the end, the teachers collected a lot of data through several tests. Students in years 2 to 6 recently completed their PAT Maths and PAT Reading tests. We saw lots of improvement across the year levels and the highest completion rate in several years. Regular attendance has helped several students improve. Our school day starts at 8:45 a.m., and so does the learning. Supervise in the schoolyard starts at 8:30 a.m. Next term, I hope to reduce our late arrivals and push our whole school attendance over 80%.

This week, we welcomed Kara Lienert into the Wellbeing role. She has spent the week getting to know the students by working in each classroom. If you see Kara in the yard or classroom, please introduce yourself. You will hear more from Kara next term.

Term four is jam-packed and full of learning inside and outside the classroom. We have a camp for the year 2 to 6 students early in the term. An individual initial note was sent home this week. Please let the front office know if you are still waiting to receive it. We have set the date for our school concert, and more information will be sent out early next term. Plus, we have more exciting things planned.

We are starting to look at our classes for 2024. If you know your child or children will not return to Fraser Park, please let the office know as soon as possible. Also, if you know of any families wanting to enrol in the preschool or primary school, please encourage them to contact the office.

This term, we had several things happening outside the classroom, and I would like to thank everyone for your support and understanding as we moved the administration building and library. Seeing the excellent learning continued while the move was occurring was fantastic. Our new signs will be up early in term 4.

I wish everyone an enjoyable break, and we will see you at the beginning of term 4.

# Pastoral Passage

Greetings. Lots of exciting things happening at Fraser Park PS as Term 3 draws to a close. The winter season has brought about numerous viruses that have been quite nasty and made people very sick. So hopefully with the warmer weather and the holiday break we can rest and get well, ready to go in Term 4.

Congratulations to Mrs. Paula Fahey who is expecting a baby girl due at Christmas time this year. The children were so pleased to see Paula when she came in last week and went through an interesting question time with Wuldi class.

Welcome to Kara Lienert who started in the Wellbeing/Teacher position on Monday this week. It is fantastic to have Kara here and I look forward to working with her as part of the wellbeing team.

As your Chaplain (PCW) I am here to encourage, support and assist the school community. This term has been very rewarding working with some students in a mentoring program from Wa Nyi class with the support of Darren Amos class teacher and leadership at school. We have managed to get the school garden in reasonably good shape with all the paths now having bark chips to keep weeds down and look tidy.

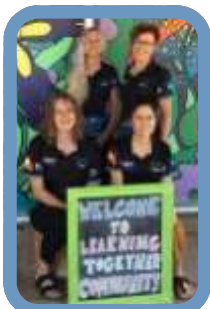

I will miss the first week of Term 4 as Dianne and I are travelling to India for 12 days and will be visiting up in the north of India going to the Delhi area. I look forward to seeing you all week 2. Enjoy your holidays.

Kingdom Kids Club will start again on Wednesday lunchtime in Pinyali when I return to school.
